

Internship Learning Agreement

The Internship experience is a critical part of each STEM student's career exploration and Work-Based Learning (WBL) journey. Internship mentors should complete the **BOLD** sections of the document. Students will earn 90 WBL hours for preparing for, completing, and reflecting on this experience with a mentor and submitting this Learning Agreement to Schoology.

STUDENT INFORMATION:

First and Last Name Rio Mcbillvary Class of 20 26 Student ID 2760

MENTOR INFORMATION:

First and Last Name Quentin Oliver
